Who We Are:

Weiland Doors has manufactured doors and windows for the food processing and cold storage industries since 1984. Weiland Doors values its employees - many of whom have been with the company for 15+ years. Due to steady growth, we are looking to add to our team. Weiland Doors has never had a layoff in its company's history and seeks employees that want to work hard to be a part of something special, yet also have a work-life balance.

Typical production hours are from 6:30 a.m. - 3:30 p.m., Monday through Thursday; and 6:30 a.m. - 12:30 p.m. on Friday. Occasional overtime is required, and optional overtime is typically available.
